FRANCINE C. SALOPEK, OFFICIAL COURT REPORTER
(305) 301-3276

1 THE COURT: I'm concerned about this. Tell your
2 clients that I'm concerned about it.

3 MR. SINGH: Will do, Your Honor.

4 THE COURT: And if -- when we get to the hearing --
5 this is what I said in my paperless order -- I thought this was
6 going to happen today, but there are no witnesses -- when we
7 get to the hearing, I am going to consider sanctioning your
8 clients if I find that the answers to these questions, which
9 were clearly raised in their requests, are not answered to my
10 satisfaction. Was I clear about that?

11 MR. SINGH: Yes, Your Honor, perfectly clear.

12 THE COURT: And I think that, you know, they can show
13 up or not, but if they don't show up at the preliminary
14 injunction hearing when we have it, then we're only going to
15 have their side of the story on these things, unless you have a
16 very detailed accounting as to where these monies were spent.

17 I assume you think that the DAO Labs payments is just
18 a front.

19 MR. BERG: This is the first time I've heard of it.

20 THE COURT: Okay. So you don't have a view of it one
21 way or the other.

22 Well, I think that in order to streamline that issue,
23 because I can see already it's going to be a big issue at the
24 time of the preliminary injunction hearing, you're going to
25 want to show him all of these accountings with respect to where

1 that money was spent, whether it's to the lawyers, whether it's
2 to DAO Labs business expenses, or whatever else so that we can
3 all be on the same page about where that money went.

4 I do not want to find that after the TRO was entered,
5 money was disbursed in violation of the TRO. That would be
6 very bad for your client.

7 MR. SINGH: Yes, Your Honor. My clear instructions to
8 the clients were to not move those funds --

9 THE COURT: I believe that. That's not what I'm
10 suggesting. But we need to be clear that they're not doing
11 that despite your advice.

12 MR. SINGH: Understood, Your Honor.

13 THE COURT: Okay. Anything else, then, from the
14 plaintiff?

15 MR. BERG: One question, Your Honor. The nature of
16 some of the witnesses in this cryptocurrency space, they
17 operate using aliases, and we have found that it's been
18 difficult to get these folks to sign declarations and perhaps
19 appear as witnesses, because they don't want to reveal their
20 identities to the public. If -- would the Court be amenable to
21 sealing the courtroom when those witnesses take the stand?

22 THE COURT: I don't have a problem with that unless
23 you have a problem with it.

24 MR. SINGH: No problem with that, Your Honor.

25 THE COURT: All right. Who are you talking about? I

1 MR. SINGH: No, Your Honor.

2 THE COURT: All right, folks. So you got your
3 instructions. Any questions about that, please don't hesitate
4 to call. But by the end of the week, please call chambers or
5 email chambers and give us some dates that work for you in the
6 next -- I guess probably in the next month, let's say, and
7 we'll go from there. Okay?

8 MR. BERG: Thank you, Your Honor.

9 THE COURT: All right, folks. Have a good day.

10 MR. SINGH: Thank you, Your Honor.

11 *(The Judge exited the courtroom)*
